Education abroad

Ukrainian International Education Fair

According to data of 2017 almost 70 thousands of Ukrainian students study abroad. From 2009 to 2016, the number of students studying abroad increased by 186%. Annual monitoring of the number of Ukrainian citizens who study in foreign universities full time covers 34 countries. Among the most preferred countries were Poland, Germany, Russia, Canada, Czech Republic, Italy, USA, Spain, France, Australia.

The 35th Ukrainian International Education Fair “Education abroad”.

The event will take place on 12th-13th of April 2019 in Kiev and on 14th of April in Odessa.

About the fair “Education abroad”:

- The biggest educational fair in Ukraine (more than 70 participants from different countries participate in the fair in Kiev)
- In 2018 about 7,000 people visited our Fair – school children with parents, students, young professionals, employees of educational area, representatives of educational agencies
- All leading educational agencies traditionally take part in the fair
- Official catalogue of the fair is given free of charge to all visitors
- The fair is held traditionally in the center of Kiev – Ukrainian House
- Wide advertising campaign

Among the fair participants there are educational institutions from different countries, such as Austria, Canada, Czech Republic, Cyprus, France, Germany, Greece, Hungary, Latvia, Lithuania, Poland, Romania, Slovakia, Switzerland, Israel, Turkey, USA and others. Leading educational agencies of Ukraine also take part in the fair. Educational institutions from Poland and Czech Republic are represented in a separate pavilion.

Direct communication with representatives of foreign educational institutions gives an opportunity to obtain “first hand” information and take a final decision on studying abroad.
